Summary of February 1963 Monthly Narrative Report

		Page
WEATHER:	Pleasant. Temperatures above normal. Maximum temp. 52° on 2/7. Minimum -21° on 2/21 at West	1
TRAVEL:	576 visitors. 50.9% less than February 1962	1
SNOWMOBILES:	Tours discontinued to Old Faithful 2/8	1
INSPECTION:	Francis G. Ray	1
SPECIAL ACTIVITIES:	Bureau of Sports Fisheries & Wildlife met in Park, 2/4. Mr. E. Phillip Sharpe, in charge Yellowstone Lake 1963	
	Nelson attended 48th Annual School for Administration Leadership, MSU, 2/4-3/1	
	NPS, USFS, Sport Fisheries, others met at Jackson, cooperative elk mgt. plan	
	Atmospheric Sciences Research terminated 2/5	
	Supt. Garrison in Williamsburg, training session	
	Los Angeles International Sportsmen's Show, 2/15-19	
	Gastellum & Howe at winter meeting of Society of American Foresters in Bozeman, 2/16. Program: Elk Management	
	Good met Dr. John Montagne, discussed Pleistocene field trip	
	Utah State University students in Park 2/21 to study wildlife management program	
	Good, Howe, Ashley on ski patrol 2/22-3/1	
	Ballard, Hancock, Foster, Reeves attended Safety Meeting, Missoula week of 2/25	
	Gravity Studies on Yellowstone Lake. To be extended to Thorofare region this fall	1-3

A2823

Memorandum

To: Director

From: Superintendent, Yellowstone

Subject: Monthly Narrative Report for February 1963

General

Weather Conditions: Pleasant, sunny days and temperatures above normal characterized the weather for February. There was a noticeable lack of snow. Maximum temperature recorded during the month was 52 degrees at Mammoth on February 7, and at Tower Falls and West Yellowstone on February 6. Minimum temperature for the month was -21 degrees recorded on February 21 at West Yellowstone.

Increase or Decrease in Travel: During February a total of 576 visitors entered the Park, as compared with 1,175 during the same period in 1962, or a decrease of 50.9%.

Snowmobiles of West Yellowstone: Permits were issued to oversnow equipment to carry 85 visitors into the Park. Snowmobile tours were discontinued to Old Faithful on February 8 due to inadequate snowpack.

Inspections: Francis G. Ray, Acting Project Supervisor, from the Western Office of Design and Construction was in Yellowstone to make final inspection of the new houses at Mammoth.

Special Activities: Representatives of the Bureau of Sports Fisheries and Wildlife met in Superintendent Garrison's office on February 4 to discuss the 1962 Fishery Management Report and plan for the management program for Yellowstone Lake in 1963. Mr. E. Phillip Sharpe, Fisheries Biologist, Bureau of Sport Fisheries and Wildlife, will be in charge of the Yellowstone Lake Fisheries Investigations this summer.

Assistant Superintendent Nelson attended the 48th Annual School for Administrative Leadership at Montana State University, Missoula. This is a special academic course designed for career employees in public service. Course: February 4-March 1.

OFFICE OF THE SUPERINTENDENT

March 11, 1971

A2023

Memorandum

To: Director

From: Superintendent, Yellowstone

Subject: Monthly Narrative Report for February 1971

General

Weather Conditions: Pleasant, sunny days and comfortable above zero temperatures characterized the weather for February. There was no measurable snowfall or snow. Maximum temperature records during the month were 32 degrees on Mammoth on February 7, and at Tower Falls the same conditions on February 8. Minimum temperatures for the month were -[illegible] degrees recorded on February 21 at West Yellowstone.

Increase or Decrease in Visitor: During February a total of [illegible] entered the park, as compared with [illegible] during the same period in 1969, or a decrease of [illegible]%.

Snowmobiles on West Yellowstone: Certain park lands to overhaul equipment to carry 25 visitors into the park. Snowmobile trails were discontinued to Old Faithful on February [illegible] due to inadequate snowfall.

Inspections: Francis E. Ray, Acting Project Superviser, from the Western Office of Design and Construction was in Yellowstone to make final inspection of the new houses at Lakeside.

Special Activities: Representatives of the Bureau of Sport Fisheries and Wildlife met in Superintendent Crockett's office on February [illegible] to discuss the 1971 Fishery Management Report and plan for the management program for Yellowstone Lake in 1972. Mr. L. Phillip Bayless, Fisheries Biologist, Bureau of Sport Fisheries and Wildlife, will be in charge of the Yellowstone Lake fisheries investigations this summer.

Assistant Superintendent Nelson attended the Park Rangers Council for Administrative Improvement at Montana State University, Bozeman. This is a special academic course designed for career employees in public service. Course: February [illegible].

At a meeting on Management of Jackson Hole Elk Herd at Jackson, February 5, a definite cooperative elk management plan between the Wyoming Game and Fish Commission, Bureau of Sport Fisheries and Wildlife, U. S. Forest Service, and National Park Service was proposed.

The Atmospheric Sciences Research Center, under the direction of Dr. Vincent J. Schaefer, terminated their annual program on February 5, after four weeks of intensive meteorological and biological study. Dr. Schaefer expressed much confidence in the value of the work accomplished this winter and hopes to continue the program on a more expanded scale next January.

Superintendent Garrison departed the Park February 8 for Williamsburg, Virginia to attend a two-week training session sponsored by the Brookings Institution of Washington, D. C.

Yellowstone participated in the Los Angeles International Sportsmen's Show, February 15 through 19, through the Director of Public Relations of the Pacific Telephone and Telegraph Company in Los Angeles. Twice each day, immediately following showing of a 10-minute film on the Park, the attendant at the Telephone Company booth, placed a phone call to a member of the staff. The conversation was amplified for the benefit of the audience who could hear directly from rangers at Old Faithful, Lamar, West Yellowstone and Mammoth. The Angelenos seemed to have an inordinate interest in our weather!

Associate Superintendent Gastellum and Biologist Robert Howe officially represented Yellowstone Park at the winter meeting of the Eastern Montana Chapter, Northern Rocky Mountain Section, Society of American Foresters, held in Bozeman, February 16. The program was on management of the Northern Yellowstone Elk Herd.

Acting Chief Park Naturalist Good met Dr. John Montagne of Montana State College in Bozeman, February 19 and discussed the August field trip to Yellowstone of the Friends of the Pleistocene.

Forty students, wildlife management majors from Utah State University, arrived in the Park February 21 to study wildlife management programs. Biologists Howe and Barmore arranged comprehensive programs for the students. Members of the staff spoke on various phases of the elk management program, and field trips were taken to show the students the range conditions in the Lamar and Mammoth-Gardiner areas.

Acting Chief Park Naturalist Good, Biologist Howe and Assistant Chief Park Ranger Ashley made a ski patrol on February 22 to the southern area of the Park, returning to Mammoth on March 1. The purpose of the trip was to observe wildlife conditions.

At a meeting on Management of [illegible] in Fort St. Lawrence, February 3, a definite cooperative wildlife management plan between the Wyoming Game and Fish Commission, people of Yount [illegible] and Wildlife, U. S. Forest Service, and National Park Service was prepared.

The Aerospheric Sciences Research Center, under the direction of Dr. Vincent J. Schaefer, terminated their annual program on February 1, after four weeks of intensive meteorological or biological study. Dr. Schaefer expressed such confidence in the value of the work program planned this winter and hope to continue the program on a year-round basis next January.

Superintendent Carlson departed the park February 2 for Williamsburg, Virginia to attend a two-week training session sponsored by the Department of Interior of Washington, D. C.

Yellowstone participated in the Los Angeles Sportsmen's Sportsmen's Show, February 17 through 19, through the Director of Public Relations of the Pacific Telephone and Telegraph Company in Los Angeles. Full-size day, immediately following showing of a 16-minute film on the park, was attended at the Telephone Company studio, placed a large cast of a bear's head in the small. The conversation was available for the benefit of the audience who could hear directly from rangers in the [illegible], [illegible] Yellowstone and Mammoth. The [illegible] seemed to have an [illegible] interest in our weather!

Associate Superintendent Overlien and District Ranger [illegible] officially represented Yellowstone Park at the winter meeting of the Sierra Club Chapter, Northern Rocky Mountain Section, society of American Foresters, held in Missoula, February 16. The program was on management of the Northern Yellowstone Elk Herd.

Acting Chief Park Naturalist Cole on Dr. [illegible] Professor of Science Bryan College in Dayton, February 19 and discussed the Grand Teton trip of Yellowstone of the friends of the relationship.

Forty students, wildlife management majors from [illegible] State University, arrived in the park February 21 to study wildlife management problems. Biologists Howe and Barnes arranged considerable lectures for the students. Members of the staff spoke on various phases of the elk winter feed program, and field trips were taken to show the [illegible] conditions in the Lower and Mammoth-Gardiner areas.

Acting Chief Park Naturalist Cole, Biologist Howe and Assistant Chief Park Ranger Harley made a ski patrol on February 22 to the southern area of the park, returning to Mammoth on March 1. The purpose of the trip was to observe wildlife conditions.

Messrs. Delbert L. Ballard, Maxwell Hancock, William Foster and John N. Reeves attended a Safety Meeting in Missoula the week of February 25, sponsored by the Bureau of Labor Standards Safety Engineers.

Mr. David P. Hill, Geophysist with the Crustal Studies Branch of the U. S. G. S., worked with gravity studies on Yellowstone Lake. The frozen Lake permitted him to take gravity measurements which could not be obtained at any other time. The studies will more closely define the large gravity anomaly centering in the Lake area. Mr. Hill plans to extend his gravity studies to the Thorofare region this fall.

Administration

Personnel:

Promotion: Gene T. Herne, Mechanic (HD) to Foreman I, Mechanic (HD) effective 2/14

Reid Malin, Procurement Assistant, GS-7, to Procurement Agent, GS-9, effective 2/17

Dale H. Nuss, Supervisory Park Ranger, GS-9, to Supervisory Park Ranger (West District Ranger), GS-11, effective 2/17

John M. Good, Assistant Chief Park Naturalist, GS-12, to Chief Park Naturalist, GS-13, effective 2/28

Transfers: Wayne R. Howe, Supervisory Park Ranger, GS-12, Yosemite, to Supervisory Park Ranger (Chief) GS-13, eff. 2/3

Jerry Hammond, Supervisory Park Ranger, Rocky Mountain NP to Supervisory Park Ranger (Mammoth Sub-District Ranger) effective 2/17

Jack R. Williams, Management Assistant, GS-9, Big Hole Battlefield NM, to Superintendent, GS-9, Aztec Ruins National Monument, effective 2/17

Reassignment: Clyde A. Maxey was selected as Management Assistant (Acting Superintendent) Big Hole Battlefield National Monument (vice Jack R. Williams) effective 2/17

W. Tom Milligan, Supervisory Park Ranger (Assistant Fire Chief) to Position 197, Supervisory Park Ranger (Sub-District Park Ranger), Snake River District, effective 2/17

Richard Holder, Sub-District Ranger from Snake River Sub-District, to the Lake Sub-District, effective 2/17

Career-Conditional: James L. Monheiser entered on duty 2/18 in the Supply Center as a Storekeeping Clerk.

[illegible] Delbert L. Mallory, Donnell Dawson, Lillie Roger [illegible]. [illegible] network a safety training in [illegible] the [illegible] of [illegible], sponsored by the Bureau of Land Management [illegible].

Mr. Davis F. Hill, Geophysist with the Crustal [illegible] Branch of the U. S. G. S., worked with gravity studies on [illegible]. The [illegible] permitted him to take gravity measurements where [illegible] be obtained at any other time. The studies [illegible] the large gravity anomaly centering in [illegible]. Mr. Hill plans to extend his gravity studies to the [illegible] (Hill [illegible]).

Resignations

Personnel:

Promotion: Gene T. Morse, Personnel (Ad) to Foreman [illegible] effective [illegible]

Reid Malin, Procurement [illegible], [illegible] to [illegible] Agent, GS-5, effective [illegible]

Dale E. Fuss, Supervisory Park Ranger, GS-9, to Supervisory Park Ranger (Park Interpretive Program), GS-11, effective [illegible]

John H. Cool, Assistant Chief Park Naturalist, GS-11, to Chief Park Naturalist, GS-12, effective [illegible]

Transfer: Bruce E. Rose, Supervisory Park Ranger, GS-12, Yosemite, to Supervisory Park Ranger (Chief) GS-12, [illegible]

Jerry Dawson, Supervisory Park Ranger, GS-9, Yosemite to [illegible] Supervisory Park Ranger (Resource Management) Chief, effective [illegible]

Jack E. Williams, Management Assistant, GS-9, [illegible] Recreation [illegible], to Superintendent, GS-9, Jean Lafitte National Monument, effective [illegible]

Reassignment: Clyde E. Maxey was selected as Superintendent, Pinnacles National Monument (Park Ranger, GS-9, Superintendent) his duties [illegible] effective [illegible]

V. Tom Millican, Supervisory Park Ranger (Resource Management), to Position [illegible], Supervisor, Park Ranger (Interpretive Park Ranger), Snake River District, effective [illegible]

Richard Lolley, Park Ranger, Snake River District, to the Lake Sub-District, effective [illegible]

Retirement: James L. Kennedy, Engineer on duty [illegible] as a [illegible] clerk.

Park Ranger Gordon D. Boyd was detailed to the East Entrance from February 26 to May 15, while Ranger Carl C. Lamb is on leave of absence.

Supervisory Park Ranger John E. Cook accepted a transfer to Canyon de Chelly National Monument as Assistant Superintendent and will depart in March.

Park Ranger Darrell Coe accepted a transfer and promotion to Mount McKinley National Park and will depart in March.

AWARDS. Harry V. Reynolds, Jr., Law Enforcement Officer, received a Superior Performance Award and a check for $400 for his accomplishments as Law Enforcment Officer. Superintendent Garrison presented the award on February ~~10~~ 5. (See photo).

Birth: A son, John Carl, was born to Clifford and Juanita Ludwig, February 25, in the Memorial Hospital, Livingston, Montana. Mr. Ludwig is Stock Control Clerk in the Supply Center.

Death: Dr. Max Bauer, who was Chief Park Naturalist in Yellowstone National Park from June 15, 1932 until his transfer to the Director's Office, November 15, 1946, passed away February 4 at Duarte, California. His age was 76.

Miscellaneous: A Farewell Party honoring the Jack Williams family and the Harry V. Reynolds family was held February 3 in the Canteen at 6:00 p.m.

The National Federation of Federal Employees held their regular monthly meeting February 4.

At the Mammoth Library Board meeting the following were elected for the coming year:

President: Mary Lu Miller
Vice President: Wilma S. Haines
Advisor: Doris M. Howe
Members: Merrie Good, Joanne Cross, Norma Martinek

Conservation, Interpretation and Use

Research and Observation: STEAMBOAT GEYSER erupted on February 4. Every indication was that the eruption could be classed as major. Sand was thrown 1,000 feet from the vent and there was evidence of fresh erosion from a voluminous amount of water. The height was calculated to be 380 feet.

Park Ranger Gordon G. Hays was detailed to the Lake Entrance from Ranger 26 to May 13, while Ranger Dan C. Lamb is on leave of absence.

Supervisory Park Ranger John E. Cox received a transfer to Sequoia National Monument as Assistant Superintendent and will depart in March.

Park Ranger Darrell Coe accepted a transfer and promotion to Sunset Hagiley National Park and will depart in March.

AWARDS. Harry V. Reynolds, Jr., the Sunset Park Ranger, received a Superior Performance Award and a check for $100 for his contributions as Law Enforcement Officer. Superintendent Jordan presented the award on February 8. (See photo).

Birth: A son, John Carl, was born to Gilbert and Jeanette Hovik, February 23, in the Memorial Hospital, Livingston, Montana. Mr. Hovik is Stock Control Clerk in the Supply Cache.

Death: Dr. Max Baer, who was Park Park Naturalist in Yellowstone National Park from June 15, 1932 until his transfer to the Director's Office, November 16, 1940, passed away February 4 at Oakdale, California. His age was 76.

Miscellaneous: A farewell party honoring the Jack Williams family and the Harry V. Reynolds family was held February 2 in the Museum at 8:00 p.m.

The National Federation of Federal Employees Nell Smith regular monthly meeting February 4.

At the Museum Library Board meeting the following were elected for the coming year:

President: Harry Ed Miller
Vice President: Miles E. Mahnke
Advisor: Doris M. Ware
Members: Merrie Good, Jerome Cross, Norma Hartman

Conservation, Interpretation and Use

Research and Observation: Ranger Darrell Coe reports as follows: "Every indication was that the mountain could be classed as dangerous. One was thrown 1,000 feet from the bank and there was indicated of loose erosion from a volumenous amount of water. The height was calculated to be 300 feet.

Concessioners: Dr. Ralph D. Wilson, head of the Hotel Management School, Denver University, met with Mr. Castellum February 26-28. The National Park Service has contracted for the Services of Dr. Wilson to assist Superintendent Garrison in analysis of various phases of concessions operations. Dr. Wilson will reside in the Park during the summer.

The Engineering and Construction Departments of Yellowstone Park Company at Gardiner have been combined under the title of Maintenance Department. John King is Maintenance Superintendent and Rudolph Egger is Maintenance Assistant Superintendent.

Haynes Inc. forwarded payment for their Concessioner Contract and requested 60 days in which to present their Annual Financial Statement. This was granted.

Yellowstone Park Medical Service Annual Financial Report was received and audited.

On February 13, Management Assistant Hadley, Engineer Elliott, Assistant Superintendent Martinek and Administrative Officer Anderson met with Dr. Lueck and the Yellowstone Park Medical Staff at Livingston, Montana to discuss operation and maintenance of the new Lake Hospital plant.

Wildlife:

Antelope: Antelope were observed throughout the month in the Gardner River Canyon area.

Bear: A black bear sow and cub have been observed in hibernation near Old Faithful by many of the Park visitors, scientists, and employees.

Bear tracks were observed on the road in Lamar Canyon on the 27th.

Elk: Direct reduction was halted on January 24 when the State of Montana announced the Special Hunting season north of the Park. The special season closed on Sunday, February 3.

The 1962-63 reduction program was completed by February 7, except for a few animals to be taken in our biological collections.

Dr, Craighead, Dr. Pengelly, Maurice Hornocker and Wesley Woodgerd of Montana State University and several students were in the Park on the 27th and 28th observing the use of helicopters in driving elk into live traps, in connection

Concessioners: Dr. Ralph D. Hilmer, head of the Hotel Management School, Denver University, met with Mr. Lawrence Farwell (Hq-Ly). The National Park Service has contracted for the services of Dr. Hilmer to assess superintendent Carrison in analysis of various phases of concessioned operations. Dr. Hilmer will remain in the park during the summer.

The Engineering and Construction Department of Yellowstone Park Company at Gardiner have been occupied under the title of Maintenance Department. John King is Maintenance Superintendent and Lowell Egger is Maintenance Assistant Superintendent.

Hayes Inc. forwarded payment for their Concessioner Contract and requested 60 days in which to produce their Financial Statement. This was granted.

Yellowstone Park Medical Service Annual Financial Report was received and audited.

On February 13, Management Analysis and Data, Quality Assurance, Maintenance Superintendent Harrison and Administrative Officer Hodgson met with Dr. Lucas and the Yellowstone Park Medical Staff in Lindgren, Montana to discuss operation and maintenance of the new Lake Clinic.

Wildlife:

Antelope: Antelope were observed throughout the South of the Gardner River Canyon area.

Bear: A black bear sow and two cubs were observed in Lamar Valley near Old Bateman by many of the park visitors, concessioners, and employees.

Bear tracks were observed on the road to Lamar Canyon on the 12th.

Elk: Direct reduction was halted on January 24 when the Gardner Montana announced its special hunting season until of the Park. The special season closed on January, February 7.

The 1962-63 reduction program was terminated on January 11, except for a few animals to be taken in the Mammoth collections.

Dr. Craighead, Dr. Pengelly, Bourke Hornaday and Sandy Woodward of Montana State University and several students were in the Park on the 23rd and 24th observing the use of helicopters in driving elk into live traps, in connection

with future studies to be made on the migration patterns of the Northern Yellowstone elk herd.

Park rangers have neckbanded a total of 390 elk for the above study. The majority of these neckbands were placed on the elk as results of live trapping success in the Slough Creek trap area. One helicopter drive of live elk into the newly constructed trap just south of Hellroaring Slopes on Little Buffalo Creek was successful in capturing about 200 elk. Due to the experimental nature of the trap and the excessive number of elk in the trap, all but 23 of these animals escaped before they could be neckbanded. The 23 were neckbanded and released concluding the elk trapping for this year.

The breakdown of the reduction program is as follows:

Direct	404	
Live Shipped	671	Wyoming took 376 Montana took 295
Hunter kill (north of Park)	530	
Biological collection	116	
Lost in trap and miscellaneous	26	
	1747	

The neckbanding program was completed on February 12, with 390 animals neckbanded and released.

Livetrapped	1468
Neckbanded	390
Retrapped	8
Escaped	397

Moose: Moose were seen frequently in the Tower Junction area, and along the Gallatin Road.

Law Enforcement: There was one reportable offence this month: breaking and entering the Mammoth Hospital. A misdemeanor occurred in the West District involving elk poaching. Neither offense has been cleared by arrest.

Proposed amendments to the current Fishing Regulations were submitted for publication in the Federal Register.

Public Affairs

Publicity: On each Thursday the Yellowstone Weekly News was issued to keep employees, concessioners and others currently informed of Park happenings.

[illegible] should prove to be seen as the [illegible] [illegible] [illegible]

Two press releases were issued: one on conclusion of management program for the Northern Yellowstone elk herd for winter; and one announcing Wayne R. Howe as new Chief Park Ranger.

Rangers Darrell L. Coe and Stewart Orgill participated in the Boy Scout "Exhibitrama" Day at Rigby and Rexburg, Idaho on the 9th.

Rangers Darrell L. Coe and Gordon Boyd participated in the 38th Annual Conservation Clinic of Bonneville County Sportsmen's Association Jamboree, Idaho Falls, Idaho on February 23. Ranger Coe presented an illustrated slide talk on Wilderness and Trail Use in the Park.

Park Ranger and Mrs. John Hughes of Northeast Entrance had open house for the Cooke City and Silver Gate residents on February 28. Associate Superintendent Gastellum gave an illustrated talk on Antarctic Expedition.

Religious and Chapel Use. The chapel was used every Sunday for regular Sunday School and Protestant services.

The Reverend John A. Lee was away from the Park February 5 through 27, recruiting students for the summer ministry program, and for a vacation.

Roads: The contractor is proceeding satisfactorily on the Beryl Springs project. Work at the end of the month was 45 per cent complete. Contractor was granted a stop order. Work will be resumed as soon as ground thaws.

BIG HOLE BATTLEFIELD NATIONAL MONUMENT

Superintendent Garrison, Chief Engineer Rowe and Acting Superintendent Maxey of Big Hole Battlefield National Monument traveled to Helena on February 5 to confer with County and State Officials in regard to the willingness of Montana to accept a retrocession of jurisdiction for Big Hole Battlefield and Custer Battlefield. Governor Babcock and all officials have been favorable to the acceptance of this jurisdiction change. No action can be taken before the 1963 session but we hope the legislation currently before Congress concerning the boundary changes for the two areas will be successful.

when future studies are to take on the experiment problems of the northern Tallahassee air mass.

Park rangers have conducted a total of 246 cat in 100-state study. The majority of these incidents were reported on the 21 of January in the trapping success in the study area. One [illegible] live air line the only constructed [illegible] on little [illegible] to the experimental [illegible] the [illegible] handed. The 23 were [illegible] for this year.

The breakdown of the [illegible] follows:

Lizard	[illegible]

Proposed [illegible] publication in the [illegible].

[illegible]

Publicity: [illegible] been employed, [illegible] happenings.

Two press releases were issued: one on conclusion of management program for the Northern Yellowstone elk herd for winter; and one announcing Wayne R. Howe as new Chief Park Ranger.

Rangers Darrell L. Coe and Stewart Orgill participated in the Boy Scout "Exhibitrama" Day at Rigby and Rexburg, Idaho on the 9th.

Rangers Darrell L. Coe and Gordon Boyd participated in the 38th Annual Conservation Clinic of Bonneville County Sportsmen's Association Jamboree, Idaho Falls, Idaho on February 23. Ranger Coe presented an illustrated slide talk on Wilderness and Trail Use in the Park.

Park Ranger and Mrs. John Hughes of Northeast Entrance had open house for the Cooke City and Silver Gate residents on February 28. Associate Superintendent Gastellum gave an illustrated talk on Antarctic Expedition.

Religious and Chapel Use. The chapel was used every Sunday for regular Sunday School and Protestant services.

The Reverend John A. Lee was away from the Park February 5 through 27, recruiting students for the summer ministry program, and for a vacation.

Roads: The contractor is proceeding satisfactorily on the Beryl Springs project. Work at the end of the month was 45 per cent complete. Contractor was granted a stop order. Work will be resumed as soon as ground thaws.

BIG HOLE BATTLEFIELD NATIONAL MONUMENT

Superintendent Garrison, Chief Engineer Rowe and Acting Superintendent Maxey of Big Hole Battlefield National Monument traveled to Helena on February 5 to confer with County and State Officials in regard to the willingness of Montana to accept a retrocession of jurisdiction for Big Hole Battlefield and Custer Battlefield. Governor Babcock and all officials have been favorable to the acceptance of this jurisdiction change. No action can be taken before the 1963 session but we hope the legislation currently before Congress concerning the boundary changes for the two areas will be successful.

The following drawings are being reviewed:

NP-YEL-3941, Working Drawing - Campground Roads, Indian Creek

NP-YEL-3940 - Campground Water Supply, Norris Campground

Resume Work Order: Dubois Electric (Reconstruct Power Distribution, Mammoth), effective January 30

Bids Opened: February 20 - Hospital Furniture and Equipment. Low bidder: Hospital Furniture and Equipment, North Kansas City, Missouri - $20,866.14

Inspections: Contract 14-10-0243-480 - Hathaway - Five residences and Duplex, Mammoth -- all interiors. Stop order issued effective 2/21; outside painting to be completed when weather favorable.

Preconstruction Conference: Hathaway - Elementary School
February 5 Clinic Building, Mammoth

WODC Acting Project Supervisor Woolsey suffered a broken leg while working at Lamar and returned to San Francisco following release from hospital. Francis G. Ray was assigned as Acting Project Supervisor to accomplish inspection of the new houses, following which he was assigned to another area.

February 11 through March 22, Ranger Richard L. Holder has been detailed to the Programs Office to assist in the preparation and assembling of material for Packaged Master Plan Study.
